How to use the STAR method

Situation: briefly set the scene. Task: explain your responsibility. Action: describe what YOU did. Result: show the outcome and what you learned.

Example answer structure

“Our team faced a last-minute deadline (situation). I was responsible for coordinating the deliverables (task). I reprioritised work and introduced short daily check-ins (action). We delivered on time and improved our process for the next project (result).”

Preparation checklist

☐ Research the company and the role

☐ Prepare three specific achievement stories

☐ Practise your introduction aloud

☐ Prepare thoughtful questions for the employer

☐ Check timing, location and technology
